Watch her **promo video** &
listen to **unreleased**
music.

- Collaboration **3AM** with rising EDM pop group MiNDTRiX (June 2018) has currently reached 243k streams on Spotify and 61k plays on Soundcloud (the group's prior single was with EDM superstar **Karra**)
- **Head in the Clouds** with DJ Majurakk dropped on Chroma Records June 21 and supported by EDM powerhouse **KSHMR** on his personal playlist (wrote 100% of lyrics/vocal melody)
- Collaboration **Leave Your Side** with NCS/Frequency/Trap Nation producer **Marin Hoxha** released March 19 on Magic Music records is currently at 145k streams across platforms (wrote 100% of lyrics/vocal melody)
- Favorite performance of all time was with Todd Rundgren; Alexis Donn was the only soloist to perform with him at a concert in Chicago in October 2017

BIO

Alexis Donn is bringing the poetry back to pop. Donn's honest, clever lyrics dance all over her beats like she does on stage, and her unique combination of high energy, old soulfulness and refreshing storytelling abilities makes her new face one not to forget. Donn is currently collaborating with electronic producers all over the world, in addition to putting the finishing touches on her debut album due in the fall.
